

Colleges may wish to add additional degree options to existing, approved pathways. The process for achieving approval for this expansion/extension is noted below.

- The College’s Senior Management Team to discuss proposal and maintain minutes of meeting and decision
- DoMaR/SMM to provide market research data supporting the expansion/extension; costs related to meeting the required student target to be evaluated; College Director/Principal to prepare rationale for expansion/extension of pathways; form and associated documents to be submitted to the relevant Executive General Manager and Head of Academic Quality for approval

This Portfolio Expansion/Extension Form should be completed in detail by the College Proposer and the University Proposer and submitted to the relevant Executive General Manager and Head of Academic Quality for approval.

Portfolio Expansion/Extension may be granted by the relevant Executive General Manager and Head of Academic Quality via email, this notification of approval should be attached to this form and noted in Section C by the College Proposer.
